

## Scholarly Publications

(last 5 years)

Grace M. Begany

Assistant Professor, Department of Business and Information Technology

### Peer-Reviewed Journals

Pignato, J.M. and Begany, G.M. (forthcoming, December 2015). "Deterritorialized, Multilocated, and Distributed: Musical Space, Poietic Domains, and Cognition in Distance Collaboration." *The Journal of Music, Technology and Education*.

Begany, G. M., Sa, N., & Yuan, X. (2015). Factors Affecting User Perception of a Spoken Language vs. Textual Search Interface: A Content Analysis. *Interacting with Computers: The Interdisciplinary Journal of Human-Computer Interaction*, iwv029. Oxford University Press (special issue).

### Peer-Reviewed Conference Proceedings

Yuan, X., Sa, N., Begany, G., & Yang, H. (forthcoming, January 2016) Presentation Styles on User Perceived Usefulness in Opinion Summarization. In *Proceedings of the Hawaii International Conference on System Sciences (HICSS-49)* to be held on January 5 -8<sup>th</sup>, 2016 in Kauai, Hawaii. Conference proceedings will published by the IEEE Computer Society and maintained in the IEEE Digital Library.

Yuan, X., Sa, N., Begany, G., & Yang, H. (2015). What users prefer and why: a user study on effective presentation styles of opinion summarization. In *Human-Computer Interaction–INTERACT 2015* (pp. 249-264). Springer International Publishing. Presented at the International Conference on Human-Computer Interaction INTERACT 2015 held on September 14-18<sup>th</sup> in Bamberg, Germany.

Begany, G.M., Sa, N. & Yuan, X. (2014). Investigating factors affecting user perception of a spoken language interface: A content analysis of interview data in a Wizard of Oz study. In *Proceedings of the Interaction Design and Human Factors (IDHF) 2014 Conference* in Kochi, Japan.

Begany, G.M., Mirzaei, K. & Yuan, X. (2014). *Investigating health information behavior: A mobile diary study*. Paper presented at work-in-progress workshop presentation at the Mobile Human-Computer Interaction (HCI) 2014 Conference in Toronto, Canada.

Sayogo, D. S., Luciano, J. S., Michaelis, J., dePaula, N., Luna-Reyes, L., Tayi, G., Begany, G. M. & Andersen, D. F. (2013, June). A preliminary ontology for tracking certification systems: a case study of fair-trade coffee certification. In *Proceedings of the 14<sup>th</sup> Annual International Conference on Digital Government Research dg.o 2013* (pp. 267-268). Association for Computing Machinery (ACM).

### **Peer-Reviewed Poster Sessions**

Begany, G.M. and Martin, E.G. (forthcoming, November 2015). *Assessing the Policy, Management, and Technology Challenges of Releasing Open Health Data in New York State*. Poster to be presented at the Association for Public Policy Analysis and Management (APPAM) 37<sup>th</sup> Annual Fall Research Conference “The Golden Age of Evidence-Based Policy” to be held on November 12-14, 2015 in Miami, FL.

Begany, G.M. (2014, January). *Preliminary findings on cancer survivors’ use of information and communication technologies (ICTs) to seek health information*. Poster presented at the annual National Cancer Institute conference, “A Decade of HINTS: Quantifying the Health Information Revolution through Data Innovation and Collaboration” held on January 9-10, 2014 in Rockville, MD.

### **Academic Society Publications**

Begany, G.M. (2014, October/November). Addressing eHealth Literacy and the Digital Divide: Access, Affordability & Awareness. *Bulletin of the Association for Information Science and Technology*, 41(1), 29-32.

Begany, G. M. (2014, December/January). Information Policy and Mobile Privacy. *Bulletin of the Association for Information Science and Technology*, 40(2), 17-21.

### **Peer Review Assignments**

Reviewer for work-in-progress conference paper submission, Association for Computing Machinery (ACM) Conference on Human Factors in Computing Systems (Computer-Human Interaction “CHI”), January 2015.
